

Hello everyone!

My name is Sumire Kinta, and I am Yuri Momma.

By the way, Sumire, have you ever been to Tokyo?

Of course. My favorite place in Tokyo is "Tokyo Disney Resort."

It's not in Tokyo!

Really?

It's located in Chiba.

Oops...

Today, we're going to tell you about one of the most famous spots in Tokyo.

Hint 1, it's the highest radio tower in the world.

Hint 2, its color changes sometimes.

Hint 3, you can see the building very clearly in urban landscapes. Sumire, Can you guess what it is?

Is it Tokyo Tower? It's so close...! We will talk about Tokyo Skytree!

I have some information about Tokyo Skytree. Oh! You know? Yes!

Tokyo Skytree is a beautiful tower in Tokyo. The tower is 634 meters tall.

Every year, 6.4 million people visit the tower. It was built in 2012 with significant investment.

That's right! At night, it illuminates with lights, offering a different view compared to the daytime.

Also during events, it changes to a special color.

In addition, there are three cute characters: Teppenpen, Soracarachan, and Scoburuburu.

Soracarachan is the main character who likes to sing songs.

Her treasure is a telescope she got from her grandfather.

There are three reasons why we love Tokyo Skytree.

First, the view is very beautiful, allowing us to overlook the city of Tokyo.

And there is a glass floor that provides a thrilling experience.

Second, you have to take the elevator to go up. We can enjoy a short animation in the elevator. When the season changes, the animation also changes, and it's currently the winter version.

It's very beautiful isn't it?

Yes! I want to see the real one!

Third, the area near the Tokyo Skytree is called Solamachi, featuring a shopping mall with many souvenir shops, allowing us to enjoy shopping as well.

And finally, there is the Sumida River Walk where we can take pictures with the Tokyo Skytree.

Does anyone have any questions?

How much is the ticket? It costs 2300 yen.

One more question please?

How long does it take to go up? It takes about one minute.

Thank you.
