

Question 1

A: Hey, do you want to join me for a run in the park tomorrow morning?

B: I'd love to, but I have an early meeting at work.

A: That's too bad. Maybe another time then.

Question 2

A: Excuse me Mark, where is the nearest bookstore to the school?

B: It's just around the corner on Maple Street, Sarah. Why?

A: I need to buy a new workbook for class because I lost mine.

Question 3

A: How was your vacation in Hawaii?

B: It was fantastic! The beaches were beautiful, and the weather was perfect. It was my third visit there.

A: That sounds amazing. I'd love to go there someday.

Question 4

A: Did you finish the report for the meeting?

B: Not yet. I plan to work on it tonight.

A: Remember, it's due tomorrow morning.

Question 5

A: What do you think of our new math teacher, Ms. Anderson?

B: She's great! She explains everything very clearly.

A: I agree. I think I'll do well in her class.

Question 6

At first, I was really excited about going to Singapore because I've never been there before. However, after checking the prices, I realized it was too expensive. Then, my friend recommended Mexico, which sounded great, but I don't speak Spanish. I also thought about going to Korea, but I had already been there before. In the end I went to Okinawa for my vacation.

Q: Why didn't the woman go to Korea?

Question 7

After work, I usually go to the sports center to do my exercises. However, today is a little different. A friend that I haven't seen in a long time is in town, so we are going to have dinner together at a nice Italian restaurant. After meeting him I have to go to the shopping center to buy a gift for my sister.

Q: What will the man do after he meets his friend at the restaurant?

Question 8

Sarah likes to go to a coffee shop near her house on weekends. She likes to listen to jazz music and read books. The coffee is delicious, but it is expensive. This weekend in order to save money she stayed at home. She made a nice cup of coffee for herself and listened to jazz music on her computer. It was nice but she missed going to the coffee shop.

Q: Why did Sarah stay home this weekend instead of going to the coffee shop?

Question 9

John works part-time at a bookstore after school. He enjoys talking to customers and helping them find books. His favorite part of the job is when a customer asks him to recommend a book to read. He always recommends some of his favorite books. The only difficulty with his job is that he has to stand for a long time. Because of this, his legs get tired.

Q: What does John like most about his job at the bookstore?

Question 10

Emily had a survey at her school about the students' favorite sports. She asked 100 students, and each student could choose only one sport. She made a graph to show the results of the survey. The graph shows that 40% of the students like soccer, 30% like basketball, 25% like baseball, and 5% like tennis.

Q: Which graph represents the results of Emily's survey?
